North-West University

Bachelor of Science in Information Technology
2024

SKILLS SUMMARY

- Spring Boot
- React
- Java
- C#
- C++
- Python
- SQL (Oracle)
- PostgreSQL
- Git/GitHub

PROJECTS

Full Stack Educational Resource Platform

Developed a scalable web platform enabling educators to upload, manage, and share academic resources. We used React, Spring Boot, and PostgreSQL for development.

WORK EXPERIENCE

Audit Preparation Assistant, KF49 Citrus Packhouse

2023 – Supported the CIZA audit preparation process by planning, organizing, and implementing audit requirements. Collaborated in setting up documentation and ensuring compliance with audit standards.
